## **SPONSORSHIP PROSPECTUS DFRWS EU 2017**

**21-23<sup>rd</sup> March, Lake Constance, Germany**

### **WHY SUPPORT DFRWS WORKSHOPS AND CONFERENCES?**

- DFRWS was established in 2001 and is the oldest running event dedicated to digital forensics research. In response to the growing forensics community worldwide, DFRWS added an annual European event in 2014 - this places DFRWS supporters in front of an international audience.
- DFRWS is a non-profit organization dedicated to advancing the field of forensics by furthering research, sharing information and bringing digital forensics community leaders from Academia, Government, Law Enforcement and Industry together in an informal setting.
- DFRWS attendees are typically the decision makers in their organizations.
- DFRWS has international reach, a dedicated following and provides excellent visibility for our sponsors.
- DFRWS is a volunteer run organization so sponsorship contributions go directly toward event production, the dissemination of digital forensics research, encouraging student participation and ongoing support of the forensics community.
- DFRWS is an excellent place to showcase your products and services, network, attract new customers, find experienced talent and gather ideas to help your company identify and adapt to the growing needs of this community.
- DFRWS.org considers our sponsors as partners and packages provide an excellent, lasting value. Sponsorship packages can be customized to meet the individual requirements of each sponsor and tailored to fit any budget.
